Office of the
County Auditor

July 13, 2015

The Honorable Allison Palmer, 51st Judicial District Attorney
The Honorable George McCrea, 119th Judicial District Attorney
124 West Beauregard Avenue
San Angelo, Texas 76903

Dear Mrs. Palmer and Mr. McCrea,

In our most recent review of the financial records of your office, we noted that you have continued to work on reducing the carrying balance in your seizure account. We thank you and your staff for working to find and reduce the older, unidentified portions in this account. We recommend you continue doing so in an effort to account for all funds currently held by your office.

We also identified some internal controls that we would recommend you implement in the office, to distribute some processes to more than one person and better segregate duties. We suggest implementing a review procedure for bank reconciliations, and requiring two signatures on checks written from your bank accounts. These procedures help to reduce the risk and liability of handling funds in your office.

This concludes our review of the financial records of the 51st and 119th Judicial District Attorneys' office for the months of January through March 2015. Included in the review were the receipts, the disbursements, the cash receipts/disbursements journal, the seizure journal, pertinent activity in the general ledger, and the bank reconciliations for the seizure, escrow, and hot check funds. Thank you for your cooperation during the review process, and if you have any questions or concerns, feel free to contact us.

Very cordially,

The Honorable J.P. McGuire
Tom Green County Justice of the Peace #2
5006 Knickerbocker Road
San Angelo, TX 76904

Dear Judge McGuire,

In our most recent review we found two cases in our sample testing, in which the time payment was applied more than 40 days after the judgement date. We recommend ensuring time payment fees are promptly applied to cases on or after the 31st day after the judgment date.

This completes our review of your financial records for October 2014 through December 2014. There were no significant findings. This concludes our review which included an internal control update, monthly and distribution reports, fees and receipt testing, cash count and voids. You and your staff were very helpful to us. Thank you for your cooperation with this process. If you have any questions about the review, please feel free to contact our office.

Very cordially,

Jill Donegan
Tom Green Library
33 West Beauregard
San Angelo, Texas 76903

Dear Ms. Donegan,

In our most recent review of the County Library's financial operations, we found 26% of the credit card transactions were receipted as cash instead of credit cards, and 22% of deposits were either over or short compared to the actual revenue received. Most of the differences were at the Central branch and one instance at the North branch. We recommend discussing the importance of cash handling and receipting with the staff, provide any necessary training and identify those responsible in a timely manner.

We also found shortages are applied to the general fund miscellaneous revenue and are never recovered or repaid. We request the department no longer continue using this procedure. We suggest having the employee pay the difference or request the Commissioners' Court to fund the difference.

This concludes our review of your office for the time period of January 2015 through March 2015. We found a few minor discrepancies that we have discussed separately with you. The review included updates to the internal controls for the main branch, fee collections, cash receipts, bank deposits, bank and credit card reconciliations, and cash counts at all 3 branches. You and your staff were extremely helpful to us. Thank you for your cooperation with this process. If you have any questions about the review, please feel free to contact my office.

Very cordially,
