Date

The partial manual count for the 6/5/25 election was completed 6/16/25.

We counted all ballots for this election since we had a total of only 494 ballots cast. We also took advantage of the small turnout to have our EVBB come in and conduct the count.

We only had one race in this election. Copies of custom reports from our Count machine are attached however we did compare to reports from Central and the tally tapes from each location.

Ballots were counted on HART precinct scanners and Central.
