

Explanation of information: Some street names will appear more than once. This is because the street is located in different cities or the street number ranges may be in different precincts.

Explicación de la información: Algunos nombres de calles aparecerán más de una vez. Esto se debe a que la calle está ubicada en diferentes ciudades o a que los rangos de números de calle pueden estar en diferentes distritos.

Street name = the name of the street. *Nombre de la calle = indica el nombre de la calle.*

From - To = the street number ranges *Desde - Hasta = el rango de números de calle.*

O/E = indicates the range is only odd or even. *O/E indica que el rango es solo impar o par.*

City = city the address is associated with. *Ciudad = ciudad con la que está asociada la dirección.*

Precinct = is the precinct where the address is located. *Precinto = es el precinto donde se encuentra ubicada la dirección.*

Restriction = Invalid or Bus Address indicates this address is not valid for voting purposes. *Restricción = Dirección inválida o autobús indica que esta dirección no es válida para fines de votación.*

COMM = the number indicates the Commissioner Precinct; CONG = the number indicates the US Congressional District; STSEN = the number indicates the State Senator district; STREP = the number indicates the State Representation district; CITY = COS - indicates address is inside city limits, blank means the address is outside city limits; CSM = the number indicates the City Single Member District for the address; SCH = indicates the School District for the address; SSM = the number indicates the San Angelo Independent School District Single Member district the address is located in; JP = the number indicates the Justice of the Precinct district; SBOE = the number indicates the State Board of Education

COMM = el número indica el precinto del comisionado; CONG = el número indica el distrito del Congreso de los EE. UU.; STSEN = el número indica el distrito del senador estatal; STREP = el número indica el distrito de representación estatal; CITY = COS - indica que la dirección está dentro de los límites de la ciudad, en blanco significa que la dirección está fuera de los límites de la ciudad; CSM = el número indica el distrito uninominal de la ciudad para la dirección; SCH = indica el distrito escolar para la dirección; SSM = el número indica el distrito uninominal del distrito escolar independiente de San Angelo en el que se encuentra la dirección; JP = el número indica el distrito del juez del precinto; SBOE = el número indica la junta estatal de educación
